<sup>1</sup> Although this registry includes H & A Electric Company as prequalified for electric for DEMA/TMC UPS Redundancy, H & A Electric Company's maximum contract dollar value for electric power is *less* than the estimated contract value for this trade classification. Therefore, if H & A Electric Company submits a bid for electric power that is higher than its maximum contract dollar value, the bid will be rejected by the contracting agency. Please see sections 6.5 and 7.0 of "Regulations for the Annual Prequalification of Contractors and Subcontractors" for additional information.
